LOW LIGHT GUNFIGHTING TECHNIQUES

9:00 AM to 5:00 PM

“Smokin’ Barrel” Indoor Range
1775 Surveyor Ave., Simi Valley, CA 93063
805-583-3774

Objective: To impart the necessary knowledge and skills to survive and prevail in an armed or violent encounter occurring in a low light environment. Students will gain proficiency using hand-held and weapon mounted illumination tools and maximize their ability to read, interpret, and exploit varying ambient light conditions to achieve tactical advantage. These skills translate directly to various self/home defense scenarios, making this training a must for CCW permit holders, LE officers, and civilians maintaining a firearm for defense of home and family.

Instructors: Retired law enforcement officers/trainers with extensive teaching experience in civilian and L.E. communities. Guaranteed low student/instructor ratios (three-to-one max)

Topics Covered Include:

- Low light theory and effect on vision
- Five primary flashlight applications
- Ten key principles of low-light tactics
- Five hand-held flashlight shooting techniques
- Weapon mounted tactical light considerations
- Maximizing advantage positions, cover, darkness as concealment, negotiating terrain
- Movement in darkness, Utilizing cover with flashlight or weaponlight
- Tactical decision making

Prerequisite Training: Basic pistol plus holster work or instructor approval

Required Equipment: A quality center-fire, semi-auto pistol & extra magazines, strong side OWB holster, sturdy belt, mag pouches, a hand-held flashlight with momentary end-cap switch & extra batteries, hearing protection and clear eye protection, lunch/drinks

Optional: weapon mounted light and light bearing holster **Ammunition:** 250 rounds

Tuition: \$300.00 (includes all student individual range use fees, private range/classroom rental and reserved parking)
